RAJBIR SEHRAWAT, J. (Oral)

The present petition has been filed by the petitioner under Articles 226/227 of the Constitution of India for issuance of writ in the nature of certiorari for quashing the impugned action of the respondents for not considering the case of the petitioner for regularization of her husband w.e.f. 15.09.1982 from the date when junior employees were regularized and for not releasing the due arrear and family pension and arrear on the pension and other due benefits accrued after the death of her husband.

A bare perusal of the petition shows that the husband of the petitioner expired on 19.11.1982. The case basically pertains to regularization of the service of husband of the petitioner before the date of his death. Hence, there is inordinate and unexplained delay of about

39 years in raising the claim. The present petition is suffering from latches.

In view of the above, the present petition is dismissed.
