The primary grievance of the petitioner in the present writ petition is that although the State Information Commission has passed the order (Annexure P6), directing respondent No. 2 to furnish the requisite information to the petitioner within a stipulated time. However, even the said order has not been complied with by respondent No. 2.

It is not disputed by counsel for the petitioner that the Right to Information Act, contains a provision for enforcement of the orders passed by the State Information Commission. It is also not disputed that the petitioner has not availed the said statutory remedy so far.

In view of the above, this Court does not deem it appropriate to interfere in the matter, at this stage.

Hence, the present petition is dismissed.
