Main case

By this petition the petitioner has challenged the order dated 16.07.2021 (Annexure P-7) whereby its registration was cancelled.

Today senior counsel for the respondent has very fairly stated that there are certain flaws in the order and therefore, he would have no objection if the order is set aside but liberty may be granted to the respondent to proceed against the petitioner in accordance with law.

Counsel for the petitioner states that he would have no objection to this course of action but if the order is to be set aside then till such time any further order is passed the registration should be deemed to be restored.

We find this to be a fair request. In the circumstances, the impugned order is set aside while granting liberty to the respondent to proceed afresh against the petitioner in accordance with law and it is further directed that with the setting aside of the impugned order (Annexure P-7) the registration of the petitioner stands restored.

Petition stands allowed with the above terms.

Since the main case has been decided, the pending Civil Misc.
Application, if any, also stands disposed of.
