for the petitioner.

TEJINDER SINGH DHINDSA , J.(ORAL)

This case has been taken up through Video Conferencing via Webex facility in the light of the Pandemic Covid-19 situation and as per instructions.

It has been contended by the petitioner that it has been granted licence bearing No. 997 of 2006 for setting up Residential Group Housing Colony at Village Azizullapur, Sector-19, Panipat.

The short grievance raised in the instant petition is that private respondents No. 3 and 4 are creating a hindrance as regards approach to the site is concerned. It is submitted that the gate(s) have been erected and which are without any due authorization.

We have been informed that pertaining to this very grievance, the petitioner-Company had already approached respondent No.2 i.e. the Director, Town and Country Planning, Haryana, Chandigarh in terms of submitting a detailed representation dated 25.06.2021 (Annexure P-9).

Counsel submits that he would be satisfied, if the writ petition is disposed of with a direction to respondent No.2 to look into the matter.

We find the submission to be just and reasonable.

As such without even ascertaining the correctness of the averments made in the petition, we deem it appropriate to dispose of the writ petition itself at the threshold with a direction to respondent No.2 to examine the grievance of the petitioner against the backdrop of a representation dated 25.06.2021 (Annexure P-9) and, thereafter, take steps as deemed fit and as warranted in accordance with law.
