The hearing of the case was held through video conferencing on account of restricted functioning of the Courts.

Learned counsel representing the petitioners contends that respondent no.5 carved out a colony and sold the plots by promising that potable water will be made available to the residents. However, he submits that respondent no.5, who is receiving Rs.500/- per month from each house, has failed to supply the potable water. As respondent no.5 is a private individual and the petitioners have a remedy before the Consumer Disputes Redressal Forum, accordingly, they are relegated to the aforesaid remedy.

Disposed of.

All the pending miscellaneous applications, if any, are also disposed of.
