Case taken up through video conferencing.

By way of filing the present petition, petitioner Sanjiv Kumar Pandit, an accused in FIR No.48 dated 23.2.2020, under Sections 379/277/506 IPC and Mines and Minerals 4(1) (Regulation of Development Act 1957 Mines and Minerals 21(1) (Regulation of Development Act, 1957, registered at Police Station Dera Bassi, District SAS Nagar (Mohali), is seeking quashing of the said FIR and ancillary proceedings, arising out of the same, taking various pleas on merits.

The case is at the stage of investigation. The petitioner has got an occasion to point out such facts to the notice of the Investigating Officer, who may take those into consideration while carrying out investigation and if on completion of investigation, the petitioner is challaned, he has an occasion to raise all these points before the trial Court at the time of framing of charge or at any other appropriate

stage. I do not see any reason to quash the FIR and ancillary proceedings as prayed for.

Therefore, the petition stands disposed of relegating the petitioner to the remedy as aforesaid.
