DEEPAK SIBAL, J. (Oral)

The present petition has been filed under Section 438 Cr.P.C. for the grant of anticipatory bail in FIR No.580 dated 24.09.2021, registered under Sections 323, 34, 506 and 325 IPC (added later on) at Police Station Bhiwani Sadar,, District Bhiwani.

Briefly stated, the case of the prosecution is that the petitioners and their co-accused, with a common intention, gave beatings to the complainant and her husband which resulted in as many as four injuries on the complainant's husband and five injuries on the complainant herself which injuries included a fracture on the head of the complainant's husband and another fracture on the complainant's left leg.

Learned counsel for the petitioners contends that the petitioners have been falsely implicated in this case as the complainant/her husband were inimical to the petitioners/their father; the petitioners were not even at the spot when the alleged occurrence took place; it were the complainant and her husband who had given beatings to the petitioners' father and that the petitioners are also ready and willing to join the investigation.

A combined reading of the FIR in question and the Medico Legal Reports of the complainant and her husband reveal that the petitioners, alongwith their co-accused, have cumulatively inflicted as many as nine injuries out of which there is one fracture on the complainant's

husband's head and another fracture on the complainant's left leg.

In the light of the above serious allegations against the petitioners, this Court is of the opinion that they do not deserve the grant of anticipatory bail.

Dismissed.
