In view of the reasons mentioned in the application, the same is allowed and the document annexed with the application is taken on record as Annexure P-4 subject to all just exceptions.

CRM-M-41786-2020 (O&M)

The petitioner has approached this Court seeking issuance of a direction to official respondents to take action against the private respondents, who had inflicted injuries to the petitioner and were also issuing threats and were now pressurizing him to compromise the matter.

As per the FIR, which has been placed on record today, it is evident that the necessary action has been taken by the police and the FIR stands lodged. In these circumstances, the petition is virtually rendered infructuous and is dismissed as such.

Since, learned counsel for the petitioner has expressed apprehensions that the petitioner would be pressurized to effect a compromise, the Commissioner of Police, Ludhiana shall ensure that the petitioner is not forced or coerced into any kind of compromise.
