ANIL KSHETARPAL, J (Oral)

The hearing of the case was held through video conferencing on account of restricted functioning of the Courts.

An application filed by the petitioner (claimant) for release of the amount of compensation awarded by the Motor Accident Claims Tribunal (hereinafter referred to as 'the Tribunal') has been partly allowed. The Tribunal has directed that 50% of the amount of compensation of Rs.7,56,521/- be released to the petitioner (claimant), whereas the remaining amount be kept in the shape of FDR.

The learned counsel representing the petitioner (claimant) contends that the applicant is in the dire need of the money.

It is evident from the perusal of the application that the applicant has not disclosed the reasons for the alleged dire need of money.

Keeping in view the aforesaid facts, the revision petition is disposed of with liberty to the petitioner (claimant) to file a fresh application. The petitioner shall be liable to disclose not only the reasons of the alleged dire need but also to divulge the manner, the aforesaid amount that has been ordered to be released, has been spent.

All the pending miscellaneous applications, if any, are also disposed of.
