Admittedly, Election of Collegium of Society, namely, SRS Residency Resident Welfare Association, Sector-88, Faridabad was held and result thereof was declared on 31.01.2021. Election of governing body of the aforesaid Society was also held and result was declared on 07.02.2021.

Instead of filing election petition under the Act, the petitioner kept on filing representations. It appears that the petitioner has not availed the remedy provided under the Act. No ground made is out to interfere in this petition.

Dismissed.
