CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

3 25-04-2022 Heard learned counsel for the petitioner, the State and
the informant.

Petitioner seeks regular bail in a case registered for
the offence punishable under Section 302, 201/34 of the Indian
Penal Code.

As per the prosecution case, this petitioner is alleged
to have taken the deceased with him and later on dead body of
deceased was found with his throat cut by knife in an Alto car.

Learned counsel appearing for the petitioner submits
that petitioner is innocent and has been implicated in the case
only on suspicion. It is submitted that save and except suspicion
there is no tangible evidence to show the involvement of this
petitioner in the aforesaid crime. The dead body was recovered

from a car and petitioner was not present there. Only material that has come against this petitioner during the course of investigation that petitioner had illicit relation with the co-accused Ashok Das. Petitioner claims clean antecedent and is in custody since 15.01.2021 and investigation in this case is complete.

Learned counsel appearing for the State and the informant vehemently opposed the prayer for bail and submitted that during the course of investigation daughter of the deceased in paragraph 52 of the case diary has stated that this petitioner along with co-accused, Ashok Das, committed the murder of her father.

Considering the nature of accusation and gravity of the offence, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected.
