CORAM: HONOURABLE MR. JUSTICE SUNIL KUMAR PANWAR
ORAL ORDER

4 26-09-2022 Heard learned counsel for the petitioner and

learned APP for the State.

The petitioner is apprehending his arrest in a

case registered for the offences punishable under

Sections 302, 120(B) of the Indian Penal Code and

Section 27 of the Arms Act.

It is a case of commission of murder of the

husband of the informant. The informant alleged that

since her husband had business rivalry with the

petitioner and he had threatened earlier to kill the

husband of the informant, the petitioner might have killed her husband.

It is submitted by learned counsel for the petitioner that petitioner has falsely been implicated in this case. There is no eye witness to the occurrence and the petitioner has also no concern with the alleged occurrence. A statement has been made in para 3 of the petition that petitioner has no criminal antecedent.

Learned A.P.P appearing on behalf of the State has vehemently opposed the prayer for anticipatory bail of the petitioner and submitted that there is circumstantial evidence against the petitioner to connect the petitioner with the crime. During investigation, the witnesses have also supported the prosecution case. The postmortem report also suggests the cause of death due to firearm injuries.

In the facts and circumstance of the case, this Court is not inclined to grant privilege of anticipatory bail to the petitioner.

The prayer for grant of anticipatory bail to the
petitioner stands rejected.
