CORAM: HONOURABLE MR. JUSTICE DR. ANSHUMAN
ORAL ORDER

4 11-10-2022 Let the defect, if any, be removed within two weeks
from today.

Heard learned counsel for the petitioner and learned
A.P.P. for the State.

The petitioner seeks regular bail in connection with
Teghra P.S. Case No. 238 of 2019 lodged under Sections 302,
304(B), 120(B), 34 of the I.P.C.

Learned counsel for the petitioner submits that the
bail application of petitioner was earlier rejected on 02.02.2021,
in which observation was made to expedite the trial and
concluded the same expedition preferably within 9 months from
the day of the received order. Report has been called for about
the progress, then it was intimated that the present case is
pending for framing of charge.

Learned counsel for the State opposes the prayer for bail and submits that it is a case of 304(B), in which petitioner is the husband and it is a case of 2019 and even after lapse of 3 years, charge has not been framed in this case.

In the present facts and circumstances of this case and the submissions made above, I am not inclined to grant bail but the petitioner may renew his prayer for bail 6 months after framing of charge.

With this observation, the bail application stands rejected.
