CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

3 22-04-2022 Heard learned counsel for the petitioner and the State.

Petitioner seeks regular bail in a case registered for
the offence punishable under Section 302/201/120B of the
Indian Penal Code.

As per the prosecution case, the petitioner along with
other accused persons killed his father Naemuddin in order to
prevent him from further transferring his properties in favour of
sons of the informant/ second wife and buried the dead body
inside the house itself.

Learned counsel for the petitioner submits that the
petitioner is innocent and has falsely been implicated in this
case by the informant who happens to be the step mother of the
petitioner and there is land dispute between the parties. There
is no eye witness of the occurrence. Moreover, petitioner is

Hafiz Quran and he teaches children at Begusarai Madarsa and also do Immamat in Masjid, as such, allegation against him of killing of his father appears to be false. He is in custody since 23.11.2021.

Learned counsel appearing for the State opposes the prayer for bail. He submits that the offence has been committed by the petitioner and other accused persons over a dispute regarding partition between sons of two wives of the deceased. Offence has been committed by the accused persons in the fore corners of the house and the dead body was found buried inside their house. Further for 8 days the accused persons did not lodge any complain regarding missing of the deceased.

Considering the rival submissions of the parties and the fact that the dead body was recovered buried in the house of the petitioner, prayer for bail of the petitioner is refused.
