For the Respondent/s :

CORAM: HONOURABLE MR. JUSTICE ANIL KUMAR SINHA
ORAL ORDER

2 27-07-2022 Learned counsel for the petitioners submits that by way of amendment the plaintiff- respondents have added some plots in the suit for partition filed by them which do not belong to the joint family. Learned counsel submits that while allowing the amendment filed by the plaintiff-respondents the learned trial court has not taken into consideration the objection filed by the petitioners.

I have heard learned counsel for the petitioners and have perused the amendment sought and the objection filed thereto by the petitioners. It appears that the learned trial court allowed the amendment sought by the plaintiff-respondents before the commencement of the trial, as such, no prejudice shall be caused to the petitioners inasmuch as they will not be prohibited to file additional written statement if so advised.

In that view of the matter, I do not find any valid ground requiring interference with the impugned order. Accordingly, this civil miscellaneous application stands rejected.
