CORAM: HONOURABLE MR. JUSTICE RAJIV ROY
ORAL ORDER

3 04-08-2022 Heard Mr. Ram Prawesh Kumar, learned counsel for

the petitioner Mr. Aman Kumar Sinha, learned counsel for the

informant and Mr. Jitendra Kumar Singh, the learned APP for

the State.

The case has been lodged under Sections 363,
366(A)/34 of the Indian Penal Code, in connection with
Bahadurganj P.S. Case No. 262 of 2021.

The informant has alleged that in the night, the
petitioner herein abducted his minor daughter and when he tried
to enquire from his house no satisfactory reply was given and it
was further threatened that he may have to face dire
consequences.

Subsequently, the girl was recovered and she made a

statement under Section 164 of the Cr.P.C., a copy of which has been provided by the learned counsel for the informant.

A bare perusal of the statement made by the victim girl shows that when in the mid night, the girl had gone to attend call of nature, this petitioner along with some other co-accused dragged her and forced her to sit in a car and thereafter made her unconscious when she gained consciousness, she found herself in Patna. She was finally dropped at her home after two days.

Taken into account the fact that the allegation is of abduction and the minor girl who subsequently after returning home, has made statement against petitioner herein, this Court is not inclined to grant him the privilege of bail which is accordingly rejected.
