CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD
ORAL ORDER

2 27-07-2022 Learned counsel for the petitioner undertakes to remove
the defects within two weeks from today.

Heard learned counsel for the petitioner and learned
APP for the State.

Petitioner is aggrieved by and dissatisfied with the order
dated 14.02.2022 by which the learned Sessions Judge, Siwan has
refused to allow the application under Section 311 Cr.P.C. filed on
behalf of the informant-petitioner.

At the fag end of the matter when the case was fixed for
hearing an application was filed on behalf of the informant
requesting the court to allow him to prove the injury reports which

were allegedly prepared by the higher centre at Gorakhpur. The informant admits that he had not produced those injury reports before the investigating officer and it was his fault.

The learned Sessions Judge has recorded in the impugned order that in fact the case records would show that PW-6 Dr. Sonelal Rai has been examined who has proved the injury report as well as the supplementary injury report of Dhananjay Singh. The learned court has also recorded that the injury reports which have been exhibited nowhere show that the said injured was referred to any higher centre for better treatment.

On the face of the materials available on the record showing that the injury report and the supplementary injury reports have been duly exhibited in course of trial by P.W.-6, this Court finds no reason to interfere with the impugned order.

This application has, thus, no merit. It is dismissed accordingly.
