2. No one has appeared in this case although, the case is pending since 2015. Mere perusal of the prayer made by the petitioner shows that the petitioner seems to be having some grievances with regard to the action of the respondents which he states to be fraudulent. The forum adopted by the petitioner for the same is wholly misconceived. This Court under Article 226 would not enter into a fishing enquiry with regard to the actions of the respondents.

3. Writ petition is dismissed.
