**CORAM: HONOURABLE MR. JUSTICE ANIL KUMAR SINHA
ORAL ORDER**

2 29-06-2022 Heard Mr. Ranjan Kumar Sinha, learned counsel for
the petitioner.

Petitioner is a defendant in a suit filed by the respondent. A redemption suit has been filed by the respondent.

Learned counsel for the petitioner submits that the petitioner has purchased the suit property in the year 1994 and the suit has been filed in the year 2011. In the said suit, the petitioner has filed a petition for forensic examination of thumb impression of the plaintiff put on the verification of the plaint and the *Vakalatnama* but the same has been rejected by the learned court below *vide* impugned order dated 28.03.2019.

I have gone through the order impugned. The learned court below while rejecting the application for forensic examination of the thumb impression of the plaintiff has come

to the finding that the plaintiff/respondent herself appeared in the suit and has accepted that she has put her thumb impression on the documents.

Accordingly, I do not find any infirmity in the impugned order and the court below has not committed any jurisdictional error. The same is hereby rejected.
