CORAM: HONOURABLE MR. JUSTICE DR. ANSHUMAN
ORAL ORDER

3 15-09-2022 Let the defect(s), if any, be removed within two weeks
from today.

Heard learned counsel for the petitioner, learned
counsel for the informant and learned A.P.P. for the State.

The petitioner seeks regular bail in connection with
Dehri (M) P.S. Case No. 148 of 2021 lodged under Sections
302, 34 of the I.P.C. read with Section 27 of Arms Act.

As per the allegation made in the F.I.R. the informant
has disclosed that he got information that his wife was killed in
a village near Shambhu Bigha situated near NH-2. He has raised
apprehension that one Rajesh Kumar having bad eyes upon his
wife and used to disturb her on her mobile and also used to

threaten the informant's family to kill, has committed such things.

Learned counsel for the petitioner submits that the petitioner is not named in the F.I.R. He further submits that there is a direct allegation against the Rajesh Kumar. He submits that name of the petitioner has figured in this case on the basis of suspicion only and only due to the reason that he is friend of Rajesh Kumar. Counsel for the petitioner submits that petitioner is completely innocent and in custody since 28.11.2021, having one criminal antecedent in which he is on bail. He further submits that charge sheet has already been filed in this case.

Learned counsel for the State opposes the prayer for bail and submits that the material has come against the present petitioner that he is the main conspirator.

Learned counsel for the informant vehemently opposes the prayer for bail and submits that in the confessional statement, the entire story has been narrated by the main accused Rajesh Kumar as to how they killed the deceased and on their confessional statement, the arms used in the crime has been recovered.

In the present facts and circumstances of this case and the submissions made above, I am hereby not inclined to grant

bail to the petitioner, therefore, the bail petition is hereby
rejected.

The trial court is directed to expedite the trial.
