CORAM: HONOURABLE MR. JUSTICE RAJIV ROY
ORAL ORDER

3 16-09-2022 Heard learned counsel for the petitioner and learned
APP for the State through video conferencing in view of the
COVID 19.

Let the defect(s), if any, as pointed out by the office
be removed within four weeks.

The petitioner is an accused in connection with Buxar
(Mufassil) P.S. Case No. 197 of 2021 under Sections 366 (A)/34
of the Indian Penal Code.

The allegation in the FIR against the petitioner is that
she came to her house and after putting her son in the room
took away her minor daughter. His son anyhow managed to
come out of the home and thereafter the petitioner was enquired
about the whereabouts of the girl but she failed to give any

satisfactory answer. Accordingly, the present FIR was lodged.

Learned counsel for the petitioner submits the informant may have removed her daughter and implicated this petitioner because she had taken some money from her and the petitioner was insisting for return of the amount.

Per contra, learned APP for the State submits that there is direct allegation against the petitioner that she had taken the victim girl after locking the informant's son in the room. Since the girl had not been recovered, it will not be appropriate to release her on bail.

Taking into account that there is direct allegation against the petitioner of abducting informant's minor daughter who has still not been recovered, this Court is not inclined to grant him privilege of bail which is accordingly rejected.
