ORAL ORDER

2 16-09-2022 Let the defect(s), if any, be removed within two weeks
from today.

Heard learned counsel for the petitioner and learned
A.P.P. for the State through virtual mode.

The petitioner seeks regular bail in connection with
Rajepur P.S. Case No. 177 of 2021, lodged under Sections 302,
120B, 34 of the Indian Penal Code, 1860.

As per the prosecution case, the allegation against the
petitioner is to kill the son of informant who is the husband of
petitioner, as the informant categorically stated that there is a
physical relation between the daughter-in-law (present
petitioner) with the other accused Jitendra Kumar, which was
time and again opposed by his deceased son.

Learned counsel for the petitioner submits that

petitioner is a widow lady and wife of deceased, she has been falsely implicated in this case by her father-in-law. He further submits that petitioner is in custody since 17.11.2021 having clean antecedent and charge sheet has already been filed in this case.

Learned counsel for the State opposes the prayer for bail.

In the present facts and circumstances of this case and the submissions made above, I am not inclined to grant bail to the petitioner, but hereby directing to the Trial Court to release the petitioner on bail after 3 months' of framing of charge on its own conditions so that the petitioner may not evade her appearance from trial.

With this observation, the bail application stands rejected.

(Dr. Anshuman, J.)
