ORAL ORDER

7 16-05-2022 Let the defects, as pointed out by the office, be removed within four weeks of starting of Court proceeding in physical mode in normal course.

Heard learned counsel for the petitioner and the learned A.P.P. for the State in these applications.

The petitioner seeks bail in a case registered for the offence under Sections 20/22 of N.D.P.S. Act.

On search, one packet of Charas weighing about 500 Grams was recovered from possession of the petitioner.

Learned counsel for the petitioner submits that the petitioner has clean antecedent. He has falsely been implicated in the present case. He further submits that it appears from the FIR that one packet of Charas weighing about 500 Grams was recovered from possession of the petitioner. He further submits

that the Forensic Science Laboratory has not received till date whether recovered material is Charas or not. Petitioner is in custody since 17.10.2020.

Learned A.P.P. for the State, on the other hand, has vehemently opposed the prayer for bail of the petitioner and submits that the FSL Report confirms that the recovered substance is Charas and the petitioner was in illegal business of narcotic substance and the recovered substance is 500 Gms which is more than small quantity.

Considering the aforesaid facts, I am not inclined to enlarge the petitioner on bail in connection with Kodha P.S.Case No.573 of 2020 pending in the court of learned Special Judge, Muzaffarpur.

Prayer is refused.
