ORAL JUDGMENT
(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 11-10-2022

Petitioner has prayed for the following relief(s):-

“ That this is an application for issuance of a writ in the nature of certiorari to quash the letter no. 260 dated 09.03.2019 issued by the Engineer In Chief, Rural Works Department, Government of Bihar, Patna so far the direction to cancel those tenders in which some of the contractors did not submitted required original documents and attempted to affect the tender process

adversely and further for issuance of a writ in the nature of mandamus and or any other appropriate writ, order or direction commanding the respondents to proceed with the tender process i.e. Financial bid and so on for construction of 2.504 KM road from Chandrashekhar Yadav Ke Dukah to Gandhi Tola via Ram Gulam Tola under Phulparas Works Division at Sl. No.186 being Tender I.D. No.69670 of NIT (No. RWD/MMGSY-07/2018-19/07)”

Having heard learned counsel for the parties, we are of the considered view that the petitioner has not made out a case for interference with the impugned order dated 09.03.2019 (Annexure-4, Page 27).

There is nothing on record to establish that the petitioner had submitted the documents in original as per Notice Inviting Tender, which was essentially required to be submitted. It appears that a complaint was received against the functionary of the State, who was finalising tenders and awarding work without compliance of the mandatory conditions. It appears that the complaint was received by the Minister Incharge, who directed the authorities to examine the issue, prayed therein.

It is the result of such exercise, finding the petitioner not to have complied of the essential conditions of the NIT, the authorities have passed the impugned order dated 09.03.2019.

We notice that in the affidavit, respondents have successfully have explained the entire process with which, we do not find any fault. Also, there is no rebuttal thereto.

As such, the present petition, in its present form, only merits rejection.

Interlocutory application, if any, shall also stand disposed of.
