CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

3 28-01-2022 Heard learned counsel for the petitioner, the State and
the informant.

The matter has been taken up through video
conferencing.

Petitioner seeks regular bail in a case registered for
the offence punishable under Section 307, 326 and some other
allied Sections of the Indian Penal Code and u/s 27 of Arms Act.

As per the prosecution case, this petitioner is alleged
to have fired at the temple and throat of informant as a result of
which she sustained injuries.

Learned counsel appearing for the petitioner submits
that petitioner is innocent and has falsely been implicated in the
case and none of the witnesses during the course of

investigation identified the assailant. The motive shown in the FIR is also concocted story and petitioner never wanted to solemnize marriage with sister of informant. Petitioner claims clean antecedent and is in custody since 28.02.2021 and investigation in this case is complete.

Learned counsel appearing for the State and the informant opposed the prayer for bail and submitted that there is direct and specific allegation against this petitioner of firing and causing injury on the temple of neck of informant and in the medical examination the doctor has found corresponding injuries on the person of injured.

Considering the nature of accusation and gravity of the offence, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected.
