CORAM: HONOURABLE MR. JUSTICE SUNIL KUMAR PANWAR
ORAL ORDER

3 12-12-2022 Heard learned counsel for the petitioner and

learned APP for the State.

The petitioner is apprehending his arrest in a

case registered for the offences punishable under

Sections 302, 120(B)/34 of the Indian Penal Code.

It is a case of commission of murder by shot

fire as a result of which maternal uncle of the informant

succumbed to injuries.

It is submitted by learned counsel for the

petitioner that petitioner is innocent and he has falsely

been implicated in the present case. It is also submitted

that there is no specific overt act of allegation levelled

against the petitioner.

In contra, learned APP vehemently opposed the prayer of the petitioner and submitted that petitioner is named in FIR and during investigation, witness has supported the prosecution version of the case. Postmortem report also supported the fact of the prosecution that cause of death was due to hemorrhagic shock due to fire arm injury. From perusal of the case diary, it appears that process of attachment to compel the appearance of the accused has already been executed. A statement has been made in para 3 of the petition that petitioner is accused in one other case under section 302 of IPC, apart from the present one.

After considering the facts and circumstances of the case this Court is not inclined to grant privilege of anticipatory bail to the petitioner.
