CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD
ORAL ORDER

4 15-11-2022 No one appears for the petitioner.

Mr. Mrityunjaya Kumar Gautam, learned APP for the
State is present.

Considering that this matter relates to payment of
maintenance to a neglected wife and the revision application has
remained pending for six years and at this stage, there is no
representation on behalf of the petitioner, this Court deems it
just and proper to dispose of the revision application on its own
merit.

Perusal of the impugned judgment dated 30.08.2016
would show that the learned Principal Judge, Family Court,
Betiah, West Champaran has awarded a meagre sum of
Rs.1,000/- per month to the applicant-wife.

The impugned judgment also shows that the husband-opposite party had not adduced any witness in support of his claim that there is no relationship as husband-wife between the applicant-wife and the opposite party-husband.

Considering that the amount of maintenance awarded is in the lowest side, this Court finds no reason to interfere with the same.

This application is dismissed.
