CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

3 07-03-2022 Heard learned counsel for the petitioner, the State
and perused the case diary.

Petitioner seeks regular bail in registered for the
offences punishable under sections 302, 201/34 of the Indian
Penal Code.

FIR is against the petitioner and his brother for
committing murder of their mother.

Learned counsel for the petitioner submits that the
petitioner is innocent and has falsely been implicated in this
case at the instance of local Chaukidar. No substantive evidence
has been collected during course of investigation to suggest the
implication of this petitioner in the present case. In fact, victim
was suffering from depression and schizophrenia and she

committed suicide. Police after investigation submitted charge sheet for the offence under sections 306, 201/34 of the IPC. Petitioner is in custody since 18.2.2021.

Learned counsel appearing for the State opposes the prayer for bail. He submits that there is allegation that due to land dispute, petitioner and his brother Umesh Sah committed murder of their mother. Broken piece of bangles, two pieces of ear-tops, clothes used as rope were found on the place of recovery of the dead body. Even, after post mortem, when police reached the house of the petitioners to hand over the dead body, they were absconding.

Considering the gravity of offence and conduct of the petitioner, prayer for bail of the petitioner is rejected.
