CORAM: HONOURABLE MR. JUSTICE DR. ANSHUMAN
ORAL ORDER

2 19-09-2022 Let the defect(s), if any, be removed within two weeks
from today.

Heard learned counsel for the petitioner and learned
A.P.P. for the State.

The petitioner seeks regular bail in connection with
Raxaul P.S. Case No. 165 of 2021, lodged under Sections 379,
411, 414, 467, 468, 471/34 of the Indian Penal Code.

As per the F.I.R., the prosecution story is that the
Ambulance of informant is become trace-less from Sitamarhi.
Since there was a G.P.S. system installed in his vehicle, so the
informant got the correct location of his Ambulance. The
informant reached there then he found that his Ambulance is in
a Garage from where the petitioner was arrested.

Learned counsel for the petitioner submits that

petitioner is not the owner of Garage, rather he is the mechanic there. Learned counsel for the petitioner further submits that petitioner is in custody since 03.04.2021, his antecedent is clean and charge sheet has already been submitted in this case.

Learned counsel for the State opposes the prayer for bail and submits that it is rare when a theft vehicle used to be recovered only by virtue of G.P.S. system and involvement of petitioner cannot be denied.

In the present facts and circumstances of this case and the submissions made above, I am not inclined to grant bail to the petitioner at present, but the Trial Court shall release the petitioner on bail after framing of charge on its condition, so that he may not evade his appearance during trial.

With this observation, the bail application stands rejected.
