ORAL ORDER

2 19-09-2022 Heard learned counsel for the petitioner and learned
APP for the State.

Let the defect(s), if any, as pointed out by the
office, be removed within four weeks.

The case is registered under sections 147, 148, 149,
341, 323, 504, 506 and 307 of the Indian Penal Code read with
Section 27 of the Arms Act, in connection with Bagengola P.S.
Case No. 15 of 2022.

As per the prosecution story, the informant has
alleged that when he was cleaning public drainage system, the
accused persons including the petitioner herein came and started
abusing him and thereafter, the allegation against this petitioner
is that he opened fire which hit his palm and as a result whereof
he was injured.

Learned counsel for the petitioner submits that there is counter version also to the case lodged by the wife of the present petitioner. It is his further submission that the doctors have found the injury on the chest.

The learned APP on the other hand submits that there is injury on the wrist which was found to be grievous in nature, inasmuch as, three fingers have been found to be fractured and as such he submits that the petitioner does not deserve bail.

Considering the fact that there is specific allegation of opening fire on the petitioner which caused fracture in three fingers of the informant, this Court for the present is not inclined to grant him the privilege of bail which is accordingly rejected.
