CORAM: HONOURABLE MR. JUSTICE RAJIV ROY

ORAL ORDER

2 20-09-2022 Heard learned counsel for the petitioner and the

learned APP for the State.

Let the defect(s) be removed within four weeks of
the complete start of the physical Court in normal course.

The petitioner is in judicial custody in connection
with Bahadurganj P.S. Case No.83 of 2022 instituted under
Sections 302, 201/34 of the Indian Penal Code.

As per the prosecution story, the informant has
alleged that on 19.03.2022, when the entire family went to
bed, his daughter was found missing and it is said that on
23.03.2021, her dead body was found with insects all around
her body. The informant identified her as his daughter and
pointed finger towards his so-called lover Saidul.

The police investigated the matter and ultimately

came to the conclusion that it is not Saidul rather the brother of the deceased, the petitioner herein who is involved in the said killing. Accordingly, he was taken into judicial custody.

Learned counsel for the petitioner submits that there is complete improbability of the brother killing his own sister and he has been falsely implicated in this case.

In the considered opinion of this Court when the body of the deceased was found, there were insects around it which clearly shows that her killing took place much before the F.I.R. came to be lodged and in the backdrop of that, the allegation in the FIR by the informant that from 19th March she was missing is/was improbable.

Taking into account the aforesaid fact for the present this Court is not inclined to grant him any relief and the bail application is accordingly rejected.
