ORAL ORDER

3 01-04-2022 The applicant/accused in Crime No.93 of 2021 registered with Police Station-Govindpur for the offences punishable under Sections 30(a)/41 of the Bihar Prohibition and Excise Act, 2016, by this application is seeking his release on bail after filing of the charge-sheet.

The learned counsel for the applicant argued that the applicant is only the driver of the truck and he was knowing that the bricks are being transported in the said truck. He was not knowing that the truck was containing liquor.

The learned A.P.P. opposed the application by contending that huge haul of illicit liquor came to be seized from the truck driven by the applicant.

I have considered the submissions so advanced and also perused the case diary.

The truck driven by the applicant was inspected and it was found that the same was containing illicit Indian Made Foreign Liquor of different brands and the total quantity was around 6580 liters.

The applicant is having criminal antecedents of similar nature of offence and while being on bail in that matter, the instant offence is registered against the applicant. In this view of the matter, no case for grant of bail to the applicant is made out. The application is, accordingly, rejected.

It is expected of the learned trial court to commence and decide the trial within a period of eight months from today.

The applicant to remove all office objections forthwith and the Registry to issue the certified copy of this order only after removal of office objections by the applicant/accused.

(A. M. Badar, J)
