ORAL ORDER

3 03-11-2022 Learned counsel for the petitioner shall remove all the
S.R. defects within three weeks from today.

Heard learned counsel for the petitioner, Mr. Kumar
Shanu, learned AC to AG for the State and Ms. Nirmala Singh,
learned counsel for Central Bureau of Investigation (Respondent
No. 8).

Petitioner in the present case is seeking a direction to
the respondent authorities to hand over the investigation of Baisi
P.S. Case No. 86 of 2022 registered for the offences alleged
under Sections 302/120B/34 IPC to the Central Bureau of

Investigation.

The grievance of the petitioner is that the local police is not investigating the case properly. It is alleged that the investigation is unable to reveal as to how the deceased suffered cut-marks, stab injuries, broken jaw and amputated private parts.

Learned counsel for the petitioner submits that the local police is propounding a theory of accidental death which cannot be believed on the face of the post-mortem report providing signs of torture and mutilation on the dead body. All this, has led to lack of confidence in the ongoing investigation.

Learned counsel for the State has drawn the attention of this Court towards the counter affidavit, particularly the statements made in paragraph '12' of the counter affidavit wherein it is stated that during investigation, the CCTV footage of Shahi Bricks was obtained. The CCTV footage and CDR of the concerned mobiles have been examined and it has been found that the deceased died in a road accident as he was sitting on a tempo which was dashed by a truck. According to the respondents, the Doctor who conducted the autopsy on the dead body has opined that cause of death is due to hard and blunt object by road traffic accident.

Having regard to the facts and circumstances of this case, upon finding that the investigation of the case is still going on by local police, they have collected CCTV footage and are also analysing the CDR of the concerned mobile phones and that no plausible reason has been shown to this Court for transferring the investigation to the CBI, at this stage, this Court is of the considered opinion that the petitioner is unable to make out a case for transfer of investigation.

Since the investigation of the case is still pending, this Court directs the Superintendent of Police, Purnea (Respondent No. 3) to supervise the case himself and proceed to ensure proper investigation by following the guidelines provided by this Court in its order dated 09.09.2022 passed in Cr.W.J.C. No. 153 of 2017 and other analogous cases. The relevant directions issued by this Court in those cases are being reproduced hereunder:-

“(I) In the cases where the investigation of the case is still pending, the concerned writ petitioner/an aggrieved person (hereinafter referred to as the ‘writ petitioner’ or ‘an aggrieved person’) may file an appropriate application before the Senior Superintendent of Police/Superintendent of Police of the concerned district drawing his attention towards the pending investigation. The aggrieved person shall submit his stand by way of an application with all supporting materials in the office of Senior Superintendent of Police/Superintendent of Police or send the same through registered post/speed post/email, as the case may be. A copy of the same

shall also be sent to the investigating officer of the case.

(II) On receipt of such application from the aggrieved person, the Senior Superintendent of Police/ Superintendent of Police shall himself supervise the said case within a period of two weeks, wherever necessary he shall give a chance of hearing to the aggrieved person and all endeavours be made to consider the submissions as well as the materials produced before him.

(III) The Senior Superintendent of Police/ Superintendent of Police shall issue necessary instructions to any other supervising authority such as Dy.S.P. and also to the I.Os. of the case to complete the investigation from all angles within a reasonable period. What will be the reasonable period will depend upon the nature of the case and the kind of materials which are required to be dealt with. It is to be kept in mind that only because the Criminal Procedure Code does not provide for maximum limit within which an investigation is to be completed, it does not mean that the investigation is to be kept pending for decades. There are many judicial pronouncements of the Hon'ble Supreme Court in which the prosecution has been quashed because the investigating agency failed to complete the investigation of the case despite lapse of several years. Undue delay in completion of investigation erodes public faith and confidence in the investigating agency.

(IV) Upon receipt of a request/application /representation from a person connected with the case and aggrieved by and dissatisfied with the investigation alleging improper investigation, complaints of threat to him or his family or the witnesses by his opponents, accused or his associates, it is the Sr. Superintendent of Police/Superintendent of Police of the concerned district and the Station House Officer of the concerned police station as well as the I.O. of the case who would be duty bound to enter or caused to be entered the information in the station diary of the police station and examine or caused to be examined the threat perception of the informant and/or his family members/witnesses and take appropriate steps at the earliest, in the cases

where threat perceptions are found to be genuine, they would take immediate measures to protect the life of the person(s) under threat. Delay in examining the request/representation leading to any serious consequences shall in itself be a matter of enquiry and action against the erring police officials.

(V) As regards the grievance that accused persons are not being arrested in cases involving serious and heinous offences the Senior Superintendent of Police/Superintendent of Police/Investigating Officer shall take appropriate steps keeping in view the law and judgments of the Hon'ble Apex Court on the subject. In the matter of absconding accused the I.O. must take immediate steps to arrest him and exhaust all other procedures in accordance with law with utmost expedition.

(VI) This Court has already reproduced the extracts from judgment of the Hon'ble Supreme Court in the case of **Sakiri Vasu** (supra). In the light of the said judgment, this Court directs that in all these cases the learned Magistrate(s) in whose court the case is pending, shall, without seeking any application from the informant monitor the investigation. They are fully competent to take a view as to whether a proper investigation is taking place or not. Learned Magistrates are expected to exercise their powers under Section 156(3) Cr.P.C. to ensure that investigation of the case pending before the learned Magistrate is duly investigated. If it is found that the Investigating Officer is not proceeding with the investigation expeditiously and is keeping the same pending without rhyme or reason and in the opinion of the learned Magistrate it is found to be a case of inaction on the part of the Investigating Officer, the learned Magistrate would be well within his powers to direct the Senior Superintendent of Police/Superintendent of Police to change the Investigating Officer, to supervise the case himself by the Senior Superintendent of Police/Superintendent of Police and to take appropriate measures in accordance with law. While exercising his power under Section 156(3) Cr.P.C., the learned Magistrate shall definitely monitor the investigation, though he cannot investigate the case himself and will not act as supervisory authority but it is certainly within his

domain to ensure that the investigation is done properly and for this purpose without interfering with the power of the Investigating Officer or the Supervising Authority to conduct an investigation, the learned Magistrate may issue appropriate directions which in his opinion is required for conduct of proper investigation. What would be the nature of such direction(s) in a given case cannot be put in a straight jacket formula and it is for the learned Magistrate to look into this aspect of the matter on case to case basis. An application filed by an aggrieved person with prior service of copy upon the learned Public Prosecutor/A.P.P. seeking directions for proper investigation must be heard expeditiously and the same be disposed of within a period of 30 days from the date on which such application is moved before the learned Magistrate on the first date. If the learned Magistrate fails to exercise his power under Section 156(3) Cr.P.C. either on his own or on filing of the application by the aggrieved person, an appropriate application may be brought before this Court for an order/direction and monitoring as the case may be.

(VII) If any of the directions issued by the learned Magistrate in accordance with the order of this Court as stated above to the Senior Superintendent of Police/Superintendent of Police/investigating officer, unless otherwise interfered with by a competent court of law, is not given effect to by the concerned authorities, it will be taken to be a case of contempt of this Court and the learned Magistrate may inform this Court as regards the willful disobedience or disregard shown to the order/orders, direction/directions issued by him in terms of this judgment. In such circumstance an aggrieved person may also file an application seeking initiation of contempt.

(VIII) All the stake-holders in the present writ applications shall act accordingly. A copy of this order be sent to the Director General of Police, Bihar to enable him to issue necessary instructions at the earliest.”

This writ application is being disposed of with a direction to the S.P., Purnea as well as the learned Magistrate in

whose court the present case is pending to investigate and monitor respectively the case in question.

Certified copy of this order shall be made available only after removal of the defects.
