ORAL ORDER

(Per: HONOURABLE MR. JUSTICE RAJAN GUPTA)

4 21-02-2022 Heard learned counsel for the petitioner; State and the

Indian Oil Corporation.

The petitioner in this writ petition has raised his grievance that the land of the respondent no. 8 has been accepted as fulfilling the norms for setting up the petrol pump

despite the fact that at the sight it is not so.

Admittedly, the Grievance Redressal Mechanism is available in the respondent Corporation itself which has not been availed by the petitioner.

We thus deem it fit to relegate the parties to avail the said remedy, as disputed question of facts are involved. The said forum will endeavour to decide the entire issue at the earliest in any case not later than four months.

Letter of Intent (LOI), if issued, in the meanwhile, shall be subject to the final decision of the said forum.

Needless to say that if the petitioner still has any grievance, he shall be at liberty to avail the appropriate remedy.

The writ petition stands disposed off on the above-mentioned terms.
