CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

3 16-05-2022 Heard learned counsel for the petitioner and the State.

Petitioner seeks regular bail in a case registered for the offence punishable under Section 302 of the Indian Penal Code.

As per the prosecution case, daughter of the informant was married with this petitioner in the year 2008. On 22.07.2020 at about 2 PM the informant got information that his daughter has been assaulted by this petitioner and thereafter he received information that his daughter has been strangulated to death.

It is submitted that petitioner being a labourer was not present and his house and just after knowing the fact regarding death of his wife he came there from the field and informed the informant and his family members and in their presence dead

body was cremated. Petitioner claims clean antecedent and is in custody since 22.10.2019 and investigation in this case is complete.

Learned counsel appearing for the State opposes the prayer for bail and submits that there is direct and specific allegation against this petitioner of committing assault as a result of which daughter of informant died. Petitioner is husband of the deceased and during the course of investigation it has also come that this petitioner caused the death of daughter of informant.

Considering the nature of accusation and gravity of the offence, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected.
