ORAL ORDER

4 07-12-2022 Let the defect(s), if any, be removed within two weeks
from today.

Heard learned counsel for the petitioner and learned
A.P.P. for the State.

The petitioner seeks regular bail in connection with
Palasi P.S. Case No. 271 of 2021 lodged under Sections 304(B)
of the I.P.C.

As per the prosecution case, the informant has made
allegation that marriage of his daughter took place 4 year back
and just after marriage, the petitioner used to torture and assault
his daughter for dowry. It has been stated that the informant has
specifically alleged that on 18.12.2021, the petitioner has
provided poison to his wife in result, she died. The informant
has narrated that petitioner used to torture to the deceased and

on the said date also quarrel took place between them.

Learned counsel for the petitioner submits that petitioner is innocent and has committed no offence. Learned counsel submits that petitioner's antecedent is clean and in custody since 20.12.2021. The allegation of killing by virtue of providing poison is absolutely false and may not be accepted. Learned counsel submits that it is a case of suicide and not a case of murder

Learned counsel for the State opposes the prayer for bail and submits that it is a case under Section 304(B) of the I.P.C.

In the present facts and circumstances of this case and the submissions made above, I am not inclined to grant bail to the petitioner. Therefore, the bail application of the petitioner is hereby rejected.

The Trial Court is directed to expedite the trial and conclude in 9 months.

With this observation, the bail application stands rejected.
