CORAM: HONOURABLE MR. JUSTICE SATYAVRAT VERMA
ORAL ORDER

2 22-03-2022 Heard learned counsel for the petitioner, learned
counsel for the informant and learned A.P.P. for the State.

The petitioner seeks bail in a case registered for the
offences punishable under Sections 302, 201 and 34 of the
Indian Penal Code.

Learned counsel for the petitioner submits that the
petitioner is in custody since 24.03.2021, is a person with clean
antecedent and charge-sheet has been submitted in the case.

Learned counsel for the petitioner submits that the
informant alleges that on 09.06.2021, at about 10:00 am, Ajit
Kumar @ Gudoo (petitioner) came to the house of the informant
and took his son Anmol Kumar on his motorcycle for some
work, thereafter the petitioner along with 8-10 other persons

lynched Anmol Kumar at an unknown place and the petitioner took his dead body on his motorcycle and threw it behind Ganpati Hospital and absconded, accordingly the informant on coming to know about the death of his son reached the hospital and saw his son dead.

Learned counsel for the petitioner submits that the petitioner has been falsely implicated in the case. The police after investigation submitted charge-sheet under Section 304 and 34 of the I.P.C. as it came during the course of investigation that the petitioner and the deceased were working as electrician and in connection with some electrical work, they had gone to the place of occurrence where the deceased climbed on an electric pole which had current as a result of which he died. Learned counsel further submits that even the postmortem report clearly corroborates that the death was due to electric shock. Learned counsel submits that even the informant had filed an application before the Electricity Board seeking compensation from the Board on account of death of his son and then he also filed a false and fabricated F.I.R.

Learned counsel for the informant and learned A.P.P. for the State vehemently oppose the prayer for bail of the petitioner but are not able to meet the submission of the learned

counsel for the petitioner that the informant has also sought compensation from the Electricity Board on account of death of his son due to electric current and also that postmortem report corroborates the fact that the death was due to electric current.

Considering the fact that the petitioner is in custody, is a person with clean antecedent, charge-sheet has been submitted in the case and taking into consideration the submissions made by the learned counsel for the petitioner, let the petitioner above named be released on bail on furnishing bail bond of Rs. 10,000/- (Rupees Ten Thousand) with two sureties of the like amount each to the satisfaction of the learned court below where the case is pending/successor court in connection with Teghra P.S. Case No. 155 of 2020.
