Petitioner has prayed for the following relief(s):

“i) To issue an appropriate writ, order or direction

in the nature of certiorari for quashing the order dated 26.03.2021 (Annexure 9) passed by the Deputy Commissioner State Tax, Special Circle Patna, pertaining to the year 2013 - 2014, whereby and where under upon remand of the matter from Joint Commissioner, the Deputy Commissioner has rejected the classification of goods by the petitioner and disallowed the deduction for sale returns and imposed a tax liability of Rs.1,34,20,345.31/- and also levied interest of Rs1,85,16,887.74 on wholly erroneous grounds.

ii) To issue an appropriate writ, or direction or direction in the nature of *certiorari* for quashing the demand notice dated 26.03.2021 (Annexure 10) issued to the Petitioner in Form N -VIII by the Deputy Commissioner State Tax, Special Circle Patna.

iii) To issue an appropriate writ order or direction in the nature of certiorari for quashing the assessment order dated 14.02.2015 passed by the Assistant Commissioner State Tax, Special Circle Patna under section 31 of the Bihar VAT Act.

iv) During the pendency of this writ application to issue an appropriate writ, order or direction in the nature of mandamus commanding the Respondents not to take any coercive steps against the petitioner for the recovery of disputed tax amount, and interest.

v) This Hon'ble Court may further adjudicate and hold that the respondents cannot shrug off their responsibility to decide the classification related dispute concerning the products of the petitioner conclusively.

vi) This Hon'ble Court may further adjudicate and hold that levy of interest in a demand arising out of classification dispute is arbitrary, illegal and void, that too when there is neither any shortfall in payment of tax admitted nor any concealment of sale or purchase in return.

vii) This Hon'ble Court may further adjudicate and hold that the order of Deputy Commissioner State Tax, Special Circle Patna, imposing interest upon the petitioner is completely unjust, illegal and *de-hors* the provisions of the Bihar Value Added Tax Act, 2005 as the case of the petitioner is not covered under section 39(4) of the Bihar Value Added Tax, 2005.

viii) This Hon'ble Court may further adjudicate and hold that interest under section 39(4) of the Bihar Value Added Tax, 2005 can only be levied when a dealer has a) wrongly claimed either the whole or part of his turnover as not taxable and, has consequently, paid lesser amount of tax than payable by him; or (ii) wrongly declared his turnover or any particulars thereof and thereby has reduced the amount of tax payable under this Act; or (iii) wrongly claimed input tax credit in excess of what he is entitled to under this Act.

ix) This Hon'ble Court may further adjudicate and hold that since the petitioner has not concealed any particulars of sale/purchase, or wrongly declared its turnover, or wrongly claimed input tax credit, the levy of interest is not justified.

x) This Hon'ble Court may further adjudicate and hold that the assessing officer cannot take a different opinion with regard classification on the basis of previous Audit Objection and treating the same to be sacrosanct.

xi) This Hon'ble Court may further adjudicate and hold that from the facts and circumstances of the case, it is evident that the intention of the Respondents is not to decide the matter on merits but elongate the life of the litigation without serving the cause of justice.

xii) To grant any other relief or reliefs for which the petitioner is found entitled in the facts and the circumstances of the case.”

On a pointed query as to why the petitioner has not preferred the statutory appeal, Shri Suraj Samdarshi, learned counsel for the petitioner states that the appellate authority, in all likelihood, as was so done earlier, would remand the matter to the Assessing Authority, and not decide the issue itself. He further points out that the issue is purely legal and that the appellate authority is competent to take a view with regard to the same. Also, all issues of fact are and can be decided by the appellate authority.

Looking into the record as placed before us, we are in agreement with the submission made on behalf of the petitioner. The matter pertains to the year 2013-14 and parties cannot be allowed to litigate, more so when the issue can be resolved by the authority.

At this stage, Shri Suraj Samdarsi states that the petitioner does not press the present petition on merits reserving liberty to file an appeal within a period of four weeks from today. However direction be issued for expeditious disposal of appeal.

Shri Vikash Kumar, learned S.C.-11 states that if the appeal is preferred within the said period, the issue of limitation would not come in the way of the petitioner and the appeal

would positively be heard and decided on merits, in accordance with law.
