ORAL ORDER

2 25-11-2022 Heard the parties through virtual mode.

1. The petitioner has preferred this writ petition praying that the respondents be directed to transfer the petitioner from Middle School Sikandara, Jamui to any Middle School, Nawada where the petitioner's husband is practicing. The petitioner submits that several representations have been made to the authorities but have not yielded any result and therefore, this present writ petition has been filed before this Court.

3. In the opinion of this Court, prayer for transferring the petitioner from one place to another has been made which cannot be examined by this Court which performs judicial

functions. Transfer and postings of any employee is the sole domain of the administration and is a part of executive work. The Constitution has clearly outlined the scope of jurisdiction of this Court and writ petition would not lie for interference in the administrative actions of the State amounting to usurping the power of the State in relation to its administrative functions.

3. The writ petition is wholly mis-concieved and is accordingly dismissed.
