The Headmistress of the school has issued no-objection certificate by 4 p.m. yesterday as was directed by this court.

The petitioner has submitted that the schools which she opted are filled up already and, therefore, she has to make a fresh application.

Such liberty is granted to the petitioner. She shall use no-objection given by the school yesterday along with new application and the school is directed to upload the said no-objection when the new application would be made by the petitioner.

The old application is to be rejected for the reason that unless the old application is rejected the petitioner would not be allowed to make a fresh application.

With the observation this writ application is disposed of.
