In this matter, petitioner has challenged the impugned order dated 10th January, 2022 for cancellation of registration of the petitioner against which remedy is available to the petitioner under Section 30 of the State GST Act, making prayer for revocation of cancellation of registration which the petitioner has not availed and has straight-away invoked the Constitutional Writ Jurisdiction. Petitioner's further grievance is that the petitioner was not supplied with any report on the basis of which order of cancellation of registration has been made, till date.

Considering the submission of the parties, this writ petition being WPA No.1280 of 2022 is disposed of by granting liberty to the petitioner to make appropriate application for revocation of cancellation of registration

within two weeks from date and if such application is filed, the respondents concerned shall consider and dispose of the same in accordance with law and by passing a reasoned and speaking order within four weeks from the date of making such application. Respondent concerned is also directed to serve a copy of the report/reason to the petitioner on the basis of which the impugned order of cancellation of registration has been made within a week from date.

With this observation and direction, the writ petition being WPA No.1280 of 2022 is disposed of.
