Manasa Charan Santra & Ors.

Versus

Smt. Kaberi Das

Mr. Anindya Bose

Mr. D Mondal

Mr. Nikhil Gupta

.... For the applicants/petitioners

The alleged contemnor Mrs. Kaberi Das, Pradhan Gangadharpur Gram Panchayat is personally present.

Compliance report is taken on record. From the compliance report I find notice was issued upon the parties including writ petitioners. They chose not to appear and participate in the proceeding. Inspection was held and it was found there is a dilapidated residential structure of one Murari Mohan Santra which had been sanctioned under PMAY(G) Scheme. No unauthorized construction was noticed.

Learned lawyer for the writ petitioners submits enquiry was not made with regard to illegal construction of Keshab Chandra Santra.

I have considered the materials on record. In spite of notice, writ petitioners did not participate in the enquiry proceeding. Nothing is placed on record to contradict the findings in the enquiry report by the alleged contemnor.

Order passed by this court has been complied with.

Contempt proceeding is, accordingly, dropped.

Rule is discharged.
