... For the Petitioner.
Mr. Smarajit Roy Chowdhury

Heard learned Advocates appearing for the parties.

In this writ petition, petitioner has challenged the assessment order dated 5th March, 2022 relating to assessment year 2013-2014 which is an appealable order under the Statute and furthermore, this writ petition does not fall under those category of cases where there is violation of principle of natural justice or the authority who has passed the impugned order has inherent lack of jurisdiction or any point of Constitutional validity of any provision is involved in this writ petition.

Considering these facts, I am not inclined to entertain this writ petition.

However, refusal to entertain this writ petition will not prevent the petitioner from taking all the points raised in this writ petition before the Appellate Authority concerned.

With this observation, this writ petition being WPA 4947 of 2022 is disposed of.
