existence of the petitioner at the declared place of
business.

It is submitted on behalf of the petitioner that for
redressal of his grievance he has made a representation
before the authority concerned by a letter dated March 11,

to unblock the electronic credit ledger in question and also
asking to consider and dispose of the aforesaid

Considering the submission of the parties, **WPA

Road Charge, the first respondent herein, to consider and dispose of the petitioner's representation dated March 11, 2022 in accordance with law and by passing a reasoned and speaking order, within two weeks from the date of communication of this order; and on consideration of the representation and hearing the case of the petitioner, if the respondent authority finds that the petitioner exists at the premises and carries on the business in question, in that event it would pass an appropriate order for unblocking the electronic credit ledger in question subject to compliance of all other formalities to be complied by the petitioner.
