Petitioner seeks bail.

Learned Advocate appearing for the petitioner submits that the petitioner is in custody for 4 years and 4 months. The petitioner was falsely implicated. He refers to the postmortem report and submits that the victim died out of natural causes.

Learned Advocate appearing for the State draws the attention of the Court to the postmortem report of the victim. He submits that the victim suffered injuries including the two fractured ribs. The police obtained the opinion of the autopsy surgeon who stated that the death is homicidal in nature cannot be ruled out.

Considering the gravity of the offence and the involvement of the petitioner therein as transpiring from the materials in the case diary including the postmortem report of the victim, we are unable to grant bail to the petitioner.
