WPA No.6412 of 2018

Bengal Bio Environment Welfare Association
Vs.
West Bengal Renewable Energy Development
Agency (WBREDA) and others

None appears for the parties, when the matter is called on for hearing.

It is apparent from the records that on four previous occasions when the matter was called on for hearing, the petitioner either went unrepresented or adjournments were sought on behalf of the petitioner.

As such, there is nothing to indicate that the petitioner is interested any longer to proceed with the matter.

Accordingly, WPA No.6412 of 2018 is dismissed for default, without any order as to costs.

Urgent photostat certified copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.
