... for the respondent.

None appears in support of the instant application. However, the respondent is represented.

The application being CAN 1 of 2019 (Old No. CAN 7800 of 2019) is dismissed for default.

For the purpose of record it is recorded that the writ petition had already been dismissed for default on 12th July, 2019 and the same should not be shown pending in the docket of the Court.
