In Re: CAN/1/2022

The petitioner prays for correction of an order dated 25th July, 2022. The application for correction has been filed in August, 2022.

It is relevant to state that the view expressed in the order that the fair cannot be held at any time of the year was revealed from the records of the case itself.

Hence the application for correction of the order has no merit and is accordingly dismissed without any order as to costs.
