WPA No. 9120 of 2011

Joydev Bera
Vs.
The Calcutta Electric Supply Corporation Ltd.
(CESC Ltd.) and others

Mr. Debanjan Mukherji
.... for the CESC Limited

It is submitted by learned counsel for the CESC Limited that, in the month of June, 2011 itself, the meter-in-question was installed.

As such, the writ petition appears to have become infructuous.

Accordingly, WPA No. 9120 of 2011 is dismissed as infructuous without any order as to costs.
