There are statements of the eye witnesses recorded under Section 164 of the Code of Criminal Procedure implicating the petitioners in the incident.

Learned Advocate for the petitioner submits that the first petitioner suffers from 80% disability. The disability certificate contains a photograph of the first petitioner which suggest that the disability of the petitioner is with regard to only one hand. He is otherwise in a standing position with a functional arm.

Considering the gravity of the offence and the involvement of the petitioners therein as transpiring from the materials in the case diary, we are unable to grant anticipatory bail to the petitioners.
